**DO NOT LEAVE RECYCLABLES AT THE RECYCLING CENTER OFF WILLOW AVENUE. THE CENTER IS NOT OPEN FOR RESIDENTIAL DROP OFF.**

## **HAZARDOUS MATERIALS**

The County holds special collection dates and sites for hazardous materials such as, aerosol cans, antifreeze, batteries, caustics, corrosives & cleaners, fire extinguishers, fluorescent bulbs (unbroken), thermostats, mercury switches, oil based paints & varnishes, pesticides & herbicides, pool chemicals, gasoline, solvents, thinners, tires and electrical components including televisions and computer monitors. Please call the Bureau of Environmental Services Hotline at (908) 654-9889, or visit their website at <http://www.ucnj.org/recycle/index.html>, to find out the next scheduled location and date for disposal of hazardous materials. It is unlawful and environmentally unsafe to place these materials in with your household and bulk waste.

## **WHITE GOODS PICKUP**

Appliances including washing machines, dryers, hot water heaters, stoves, ovens, refrigerators, air conditioners, and water softeners are picked-up by appointment only. Do not place white goods at the curbside until an appointment has been made for pickup. A record of these items will be kept by DATE, ITEM, RESIDENT, and ADDRESS. Only one type of each of the above-mentioned appliances will be picked up per residence yearly. Please call the Department of Public Works to schedule an appliance pickup.

## **GRASS AND BRUSH PICKUP**

Grass and brush will be picked-up curbside from April to October in accordance with the attached schedule. Brush must be cut to a maximum length of 4 feet, bundled, and cannot weigh more than 50 pounds. Grass must be placed in covered trash receptacles or biodegradable bags and may not exceed 50 pounds. **GRASS PLACED IN PLASTIC BAGS WILL NOT BE PICKED UP.** The Borough strongly recommends that residents use mulching blades on their lawn mowers and leave the grass clippings on your lawn to help the Borough reduce the large amount of grass, which is picked-up yearly.

## **CURBSIDE LEAF PICKUP AND BAGGED LEAF PICKUP**

Loose and bagged leaves will be picked-up curbside by schedule, which will be mailed in the fall of 2012. All instructions for bagging leaves and placing leaves curbside for pickup will be covered in the mailing.

There is a 10 quart per person limit. **DO NOT PUT WASTE OIL OUT WITH YOUR GARBAGE OR LEAVE IN FRONT OF THE PUBLIC WORKS GARAGE AFTER HOURS.**

## **SANITARY SEWER**

The Borough operates the sanitary system. The Borough is only responsible for the maintenance of the main sewer line. The lateral service connection (between the home and the main sewer line in the street) is the responsibility of the resident. If a backup occurs in your home and you suspect that the problem is in the main sewer line, you may call the Department of Public Works during the day, Monday thru Friday at 789-1522 or after hours please contact the Garwood Police Department at 789-1500.

## **RESIDENTIAL GUIDELINES FOR SNOW PLOWING**

- Cars are to be removed from the street once 3" or more inches of snow has accumulated.
- Sidewalks are to be cleared by the resident within 24 hours of a snowstorm.
- On two-way traffic streets, shovel your driveway by the street to the right. If you live on a dead end street, shovel the snow towards the dead end side of the driveway. If you live on a one-way street, shovel the snow towards the end of the street side of the driveway. The plows will then carry the snow away from the driveway, which will minimize the amount of snow pushed back into the driveway.
- Do not shovel or blow snow into the roadway.
- It is recommended that you wait until your street is plowed curb to curb before clearing your sidewalk or driveway.
